Education and Employment

- J.J. Sylvester Assistant Professor at **Johns Hopkins University**, July 2024 – July 2027.
- PhD in mathematics at **University College London**, October 2020 – July 2024.
- Master of mathematics (MMATH) at **The University of Warwick**, October 2016 – July 2020.

Research Interests

- Calculus of Variations, Elliptic and Parabolic Partial Differential Equations, Geometric Measure Theory.

Research

- *Isoperimetry of singular CMC hypersurfaces.*
  With Gongping Niu.
  Submitted for publication.
- *Isoperimetry by stretching.*
  With Gongping Niu.
  International Mathematics Research Notices, volume 2026, issue 18.
- *Generic regularity of isoperimetric regions in dimension eight.*
  With Gongping Niu and Davide Parise.
  Submitted for publication.
- *Gradient flow of phase transitions with fixed contact angle.*
  With Mayu Takada, Yoshihiro Tonegawa, and Myles Workman.
  Interfaces and Free Boundaries, published online first.
- *On isolated singularities and generic regularity of min-max CMC hypersurfaces.*
  With Costante Bellettini.
  The Journal of Geometric Analysis, volume 35, article number 126.

Teaching

- Course leader and instructor at **Johns Hopkins University**:
  - Independent reading courses, Spring and Summer 2026
  - Partial Differential Equations II, Spring 2026.
  - Partial Differential Equations I, Fall 2025.
  - Honors Analysis I, Fall 2025.
  - Calculus on Manifolds, Spring 2025 and Spring 2027.
  - Calculus I (Physical Sciences and Engineering), Fall 2024 and Fall 2026.
- Teaching assistant at **University College London**, 2020 – 2024:
  - Foundations, Mathematics for Science, Measure Theory, Probability Theory.
- Undergraduate supervisor at **The University of Warwick**, 2019 – 2020:
  - Abstract Algebra, Analysis I and II, Differential Equations, Foundations, Geometry & Motion.

Research with Students

- *Formalising linear elliptic PDE theory in Lean.*
  With Alejandro José Soto Franco.
  Submitted for publication.

Invited talks and Research Visits

- *University of Maryland Informal Geometric Analysis Seminar*, September 2026.
- *University of Cambridge Geometric Analysis Seminar*, July 2026.
- *Caltech Geometry & Topology Seminar*, May 2026.
- *Stanford Geometry Seminar*, May 2026.
- *University of Chicago Geometric Analysis Seminar*, May 2026.
- *AMS Spring Southeastern Sectional Meeting*, March 2026.
- *Notre Dame Geometry and Analysis Seminar*, March 2026.
- *University of Tennessee, Knoxville Geometric Analysis Seminar*, October 2025.
- *Brown University Topics in Differential Geometry Workshop*, June 2025.
- *NCTS Differential Geometry Seminar*, May 2025.
- Invited by Ulrich Menne to the *National Taiwan Normal University* for two weeks, May 2025.
- *University of Tokyo Geometric Analysis Seminar*, May 2025.
- *Keio University Nonlinear Analysis Seminar*, May 2025.
- *Institute of Science Tokyo Analysis Seminar*, May 2025.
- Invited by Yoshihiro Tonegawa to the *Institute of Science Tokyo* for one week, May 2025.
- *Johns Hopkins Analysis & PDE Seminar*, September 2024.
- Invited by Martin Li to the *Chinese University of Hong Kong* for one week, March 2024.
- *University of Tokyo Analysis Seminar*, March 2024.
- Invited by Yoshihiro Tonegawa to the *Tokyo Institute of Technology* for two weeks, March 2024.
- *King's College London Analysis Seminar*, February 2024.
- *Chinese University of Hong Kong Joint Geometric Analysis Seminar*, December 2023.

Awards

- Joel Dean Excellence in Teaching Award at Johns Hopkins University, 2025 – 2026.
- Joel Dean Excellence in Teaching Award at Johns Hopkins University, 2024 – 2025.
- PhD studentship funded by the Engineering and Physical Sciences Research Council, 2020 – 2024.
- For *Early Career Researchers in Mathematics 2022*:
  - Heilbronn Institute for Mathematical Research, £7000.
  - London School of Geometry and Number Theory, £6200.
  - London Mathematical Society, Scheme 8 - Postgraduate Research Conference Grants, £2500.

Organisation and Service

- Graduate board oral examination committee chair at Johns Hopkins University, September 2026.
- Organiser of the *Johns Hopkins Geometric Analysis Seminar*, since Spring 2025.
- Thesis defence committee at Johns Hopkins University, June 2025.
- Department representative for early career researchers at University College London, 2022 – 2024.
- Co-organiser for *Early Career Researchers in Mathematics*, June 2022.
- Co-organiser for the *Warwick Imperial Autumn Meeting*, November 2019.
- Peer review for *Journal of Differential Equations, Journal of Differential Geometry.*

Department of Mathematics, Johns Hopkins University, 404 Krieger Hall, 3400 N. Charles Street, Baltimore, MD 21218, USA
